To: <[skaszyc@whisker.com](mailto:skaszyc@whisker.com)>

Hello,

Thank you for submitting your abuse report. We have begun our investigation into the source of the activity or content you reported.

We've determined that an Amazon EC2 instance was running at the IP address you provided in your abuse report. We have reached out to our customer to determine the nature and cause of this activity or content in your report.

We will investigate your complaint to determine what additional actions, if any, need to be taken in this case. We may notify you during our investigation if our customer requires more information from you to complete their troubleshooting of the issue. Our customer may reply stating that the activity or content is expected and instructions on how to prevent the activity or manually remove the content, as well. If you wish to provide additional information to us or our customer regarding this case, please reply to this email.

Please note that if we determine the activity or content to not be abusive, we will notify you and resolve the case; we may refrain from communicating further, in that case.

We will notify you once this case has been marked resolved. Thank you for alerting us to this issue.

Regards,  
AWS Trust & Safety

Company: Automated Pet Care Products / Whisker

\*Description of copyrighted work:\*

The site [dicksongoods.com](#) claims to be a seller of the Litter Robot 3 automated cat litter box. We are the makers of the litterbox, and this "company" has stolen our content - including images, copy, logos, and marks and put together an eCommerce site that claims to be selling our product for 1/5th of the actual cost of the product. This company is not authorized to use our copy, images, or marks, and we request the site be taken down.
